

Gudmundur Bogason, born 9th. November, 1966

has passed the examination for the degree "Master of Science in Engineering" (Danish: "Civilingeniør").

Length of course: 5 years, full-time.

Entrance requirement : University entrance examination.

Date of graduation: 31 August, 1992

Course No.	Credit Points	Title of Course	Marks
0111/87	06	Advanced Calculus 1.....	passed
0121/88	06	Advanced Calculus 2.....	8
0122/88	06	Linear Differential Equations.....	passed
0113/87	06	Linear Algebra.....	passed
1010/88	06	Mechanics.....	13
1802/88	06	Thermodynamics.....	9
1101/88	06	Electricity and Magnetism 1.....	11
0115/89	06	Discrete Mathematics for Computer Science.....	passed
0141/88	06	Complex Analysis.....	9
0142/89	06	Probability Theory.....	11
0147/89	06	Non-Linear Differential Equations.....	8
0282/89	06	Computer Science 2.....	10
0311/90	06	Applied Mathematics 1.....	13
0312/91	06	Partial Differential Equations, Theory and Applica	10
0401/91	06	Introductory Statistics.....	8
1109/89	06	Laboratory Course in Physics 1.....	passed
1202/88	06	Electronic and Atomic Physics.....	11
2010/87	06	Basic Physical Chemistry.....	5
